

## Peanut Butter Chocolate Chip Almond Flour Cookies

Recipe adapted from Against All Grain

I have always had a sweet tooth so always looking for some healthier ways to satisfy it. These Peanut Butter Chocolate Chip Almond Flour cookies hit the spot and the kids and husband loved them too! Super simple and only 9 ingredients! I cut the honey significantly because I was adding chocolate chips which would add sweetness. This made a large batch of smaller cookies and I froze the rest to always have on hand.

- 1 cup Peanut Butter
- ½ cup unsalted butter, softened
- 1/3 cup honey
- 2 eggs
- 1½ cup almond flour
- ½ tsp baking soda
- ¼ tsp salt
- ¼ tsp cinnamon
- about 5 oz. of chocolate chips

### Instructions:

Cream peanut butter, butter, and honey in mixing bowl until smooth. Add eggs one at a time and beat for about 1 minute. Combine dry ingredients in a small bowl, then slowly add them to the wet ingredients until blended. Add chocolate chips and stir to combine. Drop spoonfuls of dough onto a lightly greased cookie sheet. Bake at 350° for 10 minutes, or until browned on edges.
